

Anniversary Guide from A to Z

Getting there

The anniversary celebration will take place at Mica's Garten (Badenerstrasse 790, 8048 Zurich). There are no parking spaces directly at the venue, and there are very few public parking spaces in the surrounding area. We therefore recommend travelling by public transport, bicycle or the shuttle bus from Wohlen.

- Take the tram or bus to the 'Zürich, Micafil' stop, directly opposite the entrance.
- If you're coming by bike, you'll find bike racks at the entrance.
- The shuttle bus stop is a 6-minute walk from the venue.

Points of contact

If you have any questions, please speak to the reception team or anyone wearing a 'Staff' lanyard.

A wide variety of attractions await you:

- Silent Party: Live electronic music from DJ 'Knightbeat', party hits or a voting channel. You decide what music you want to dance to with your headphones on.

Data Protection / Photos

Photographs and videos will be taken at the event for internal and external communication purposes. By taking part in the event, you agree to this.

Entrance / Access

Access checks will take place at the entrance. Only registered guests are permitted on the premises – this also applies to any children accompanying you. As we have carefully planned our capacity, we are unfortunately unable to accommodate walk-in visitors. We ask for your understanding in this matter. Please provide your first name and surname at check-in – your partner and any children should also be registered under your name. You will then be given your wristband.

First Aid

Have you hurt yourself or are you feeling unwell? You can get help at the bar under the tower (next to the grand staircase).

Family Depot / Breastfeeding and Nappy-Changing Tent

On the neighbouring site next to Mica's Garden, there is a secure storage area where you can safely leave prams, pushchairs, child seats, nappy bags and so on. Right next to it is a separate area for nappy changing and breastfeeding. With the 'Baby Pass', you can quickly and easily access the nappy-changing and breastfeeding tent, as well

as the Family Depot, via the rear exit and then return to the main site. Ask the security staff at the rear exit (see site map) for it and return the pass afterwards.

Food

Whether savoury or sweet, with meat or vegan, for adults or children – there's something for almost everyone. And: 'It's available while stocks last!' A quick tip: it gets particularly busy between 6.00 pm and 8.00 pm – if you can, it's best to eat before or after that.

If you have any allergies or special requests, please speak directly to the food stall operator.

Lost and Found

Have you found or lost anything? If so, please speak to reception. Any items that haven't been collected by the end of the festival will be taken to the office.

Cloakroom

There is no cloakroom. Do you have anything bulky with you? If so, please feel free to leave it at the secure storage facility (see Family Depot).

Hearing protection

We do not provide any hearing protection. If you want to be on the safe side, please bring your own earplugs. Children's ears are particularly sensitive, so we recommend that children wear hearing protection.

Anniversary games

In the games zone, you can compete against the other guests in the anniversary games. And you can win a prize too: the top performers will each receive two lounge chairs, direct from the anniversary venue. The winners will be announced in the anniversary calendar following the celebrations.

Protection of Minors

We strictly adhere to the regulations on the protection of minors when serving alcoholic drinks. The wristband helps the staff behind the bar to keep track of guests' ages.

Prams & Pushchairs

As the grounds of Mica's Garden consist of gravel paths and space is limited, we recommend either leaving your pram or pushchair at home or leaving it at the Family Depot (see Family Depot).

Opening hours

The venue is open from 3.00 pm to 11.30 pm. Food, drinks and partying are available until 11.00 pm.

Smoking

Smoking is not permitted in the play area, near the toilets or on the neighbouring premises.

Treating others with respect

Please be considerate – there are babies and children here. And as always, wherever you are: let's all behave respectfully! You can find more information [here](#).

Animals

Animals are not permitted on the festival site.

Weather

The anniversary celebrations will go ahead even if it rains. Part of the site is covered by tents to protect you from the sun and rain.

If it rains, we recommend bringing a [rain cape](#). If it's sunny, remember to bring sun cream and a hat.
